Waiver of Liability

I acknowledge that Trish Penick, owner of Cutting Edge K9 Rehab, is a human Physical Therapist who has taken additional coursework in animal physical therapy and anatomy.

I understand that at present there is no Animal Physical Therapy degree, therefore there is no professional liability insurance available.

I, therefore, release Trish Penick, her assigns, and all sites used by Cutting Edge K9 Rehab of any responsibility for injury incurred by my animal or myself while on the premises.

If I choose to enter the pool with my animal, I understand that I am at my own risk. I have been instructed to keep a safe distance and not to get in front of the animal. I am also stating that I have basic swimming skills and acknowledge that a lifeguard is not attending the pool.
